

## The Light in Me

When the light shines bright you can see my \_\_\_\_\_.  
(Character Strength)

Even when it's dark, I shine my light toward \_\_\_\_\_.  
(A place, a moment in time, a person ("the future," "tomorrow," "my parents."))

I think of \_\_\_\_\_.  
(Something that makes you happy)

I smell \_\_\_\_\_.  
(Something that smells good)

I taste \_\_\_\_\_.  
(Something that tastes good)

I hear \_\_\_\_\_.  
(Something that makes you happy)

I touch \_\_\_\_\_.  
(Something that feels good).

I see the light in \_\_\_\_\_.  
(A place)

I see the light in \_\_\_\_\_.  
(A person)

I feel the light in my \_\_\_\_\_.  
(A place in your body ... like "heart" or "eyes" or "soul" or "feet")

When the light shines bright you can see my \_\_\_\_\_.  
(Character Strength)
